

## PRESS RELEASE

# orbeo best trading company for European ETS Allowances in the 2008 Commodity Rankings

**Paris, February 13<sup>th</sup>, 2008** – **orbeo** has won the First Place in the European ETS Allowances Trading category in the 2008 Commodity Derivatives Rankings Survey.

Launched 15 years ago by the publications *Risk*, *Energy Risk* and *Commodity Risk*, this leading industry wide survey is gathering every year the votes of all market participants, such as industrial, banks, brokers and traders.

*“This ranking, along with the award “Best Trading Company for Kyoto Carbon Credits, given by the British publication Environmental Finance in December 2007, demonstrates that **orbeo** is one of the leading participants in the carbon markets,”* said Philippe Rosier, President of **orbeo**.

*“We are very grateful to all our business partners and counterparties for their recognition of our contribution to the development and growth of the carbon market in Europe”*, adds Jérôme Malka, Managing Director of **orbeo**.
