

pure carbon  
innovation

# A global leader in carbon linked services

**orbeo** is the joint-venture between Rhodia and Société Générale that combines industrial, environmental and financial expertise dedicated to greenhouse gas emission reductions.

With the takeover of OneCarbon International BV in 2009, **orbeo** benefits from an extensive portfolio of high quality emission reduction projects, and a widened geographic presence.

Combined with its trading and marketing skills, **orbeo** offers its clients a wide range of innovative and diversified products and services.

Covering the whole carbon value chain, **orbeo** is among the leading buyers and sellers of CO<sub>2</sub> products (More than 2,000 Mt CO<sub>2</sub> traded to date).

**orbeo**, from project to market: a unique combination of industrial & financial expertise
